Provided, the total funds made available through appropriations, including funds transferred to the "Federal Bureau of Investigation, Construction" account, do not exceed \$2.11 billion (excluding the value realized from the exchange of the J. Edgar Hoover building, outfitting, and decommissioning costs).

Provided further, the Administrator considers transportation impacts, including National Capital Planning Commission recommendations on parking and proximity to metro rail.

Provided further, the Administrator considers the total costs to the government for relocations, site preparation, and site acquisition.

Provided further, that such appropriations are authorized only for a project that results in a fully consolidated FBI Headquarters facility.
