COMMITTEE RESOLUTION

Paul J. Sass, Republican Staff Director

NEW U.S. COURTHOUSE
HARTFORD, CT
PCT-CTC-HA21

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for site acquisition, design and construction of a new U.S. Courthouse of approximately 281,000 gross square feet, including 66 inside parking spaces, in Hartford, CT, at a site cost of \$34,711,000, a design cost of \$23,925,000, an estimated construction cost of \$259,711,000, and a management and inspection cost of \$16,623,000 for a total estimated project cost of \$334,970,000, a prospectus for which is attached to and included in this resolution.

Provided, that the Administrator of General Services shall ensure that construction of the new courthouse contain no more than 11 courtrooms and 18 chambers and complies, at a minimum, with courtroom sharing requirements adopted by the Judicial Conference of the United States.

Provided, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the project.

Provided, that the Administrator of General Services shall aim to achieve net zero carbon buildings, if determined by the Administrator to be practical and cost-effective.
